

This vitreous china 1100 mm shower tray embodies the sleek elegance of the rest of the collection and is integrated at floor level to facilitate access and increase safety thanks to Zero-to-Surface technology. The smooth, pleasant finish and clear lines of the tray are further enhanced by the hidden water outlet.

Available in four finishes to adapt to any bathroom suite: the smooth Glossy White adds a crisp, fresh look to the piece; Off-White offers an updated twist on a classic, elegant finish; warm Greige lends a discreet, sophisticated air; and the Nero finish adds a bold, contemporary feel.
