

The secret to an immaculate, attractive bathroom space is total harmony between the separate fixtures and fittings and practical, well-designed organization elements. The Armani/Roca Island collection offers an entire range of complements and accessories in the same finishes, allowing you to fully coordinate and tailor the décor in your bathroom to create the desired atmosphere.

The functionality and impeccable form of this towel rail is enhanced by its availability in several different sizes and finishes: shiny Chrome creates a fresh, modern look; warm Greige lends a discreet, sophisticated air; the Nero finish adds a bold, contemporary feel; and Brushed Steel brings a unique, industrial finish to the bathroom space.
